# insect killers

497136 / 497137 / 497138

## portable insect killers

The long life portable insect killer uses high efficiency UV-A lamps to attract bothersome insects. Made from fire proof ABS, fade, crack and scratch resistant high quality aluminium these insect killers have a coverage of up to 150m<sup>2</sup>.

Key features:

- Durable ABS fire proof plastic
- Large removable collection tray for easy cleaning
- High quality aluminium, easy to clean, crack, fade, scratch and oil resistant
- Full protected outer mesh
- Energy efficient UV-A lamps
- Suspendable, hang from wall or free standing
- Indoor use only (not for use in barns, stables or similar places)

Technical specification:

- Approved to EN60335-2-59 (Insect Killer standard), CE/GS/ROHS/REACH/PAH(TUV)

Cat No	Coverage Area	Wattage	Weight	Size HxWxD (mm)
497136	50m <sup>2</sup>	2x 8W	1.83kg	260x340x100
497137	80m <sup>2</sup>	2x 10W	2.6kg	310x388x100
497138	150m <sup>2</sup>	2x 20W	3.6kg	360x646x100

## NC951

### ACCESSIBLE TOILET ALARM KIT

Cat No	Description
NC951	Disabled persons toilet alarm kit

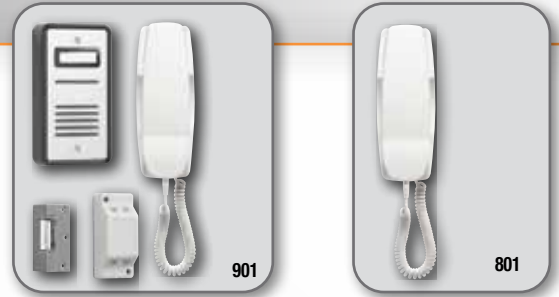

## DOOR PHONE ENTRY KITS

The 900 series are complete audio systems for domestic or commercial applications. Systems are available from a one station to most sizes.

**Each system includes:**

- Model 801 wall mounting telephone for each station
- Model SPA aluminium front door panel
- Model 61 speech panel
- Model 203 surface lock release
- Model PS4A PSU 12V DC 4A
- Model 212 12V AC power supply (901 only)

Cat No	Description
901	1 way
902	2 way
903	3 way
904	4 way
801	Additional handset
61	Replacement Speech Module
51	Replacement Speech Module

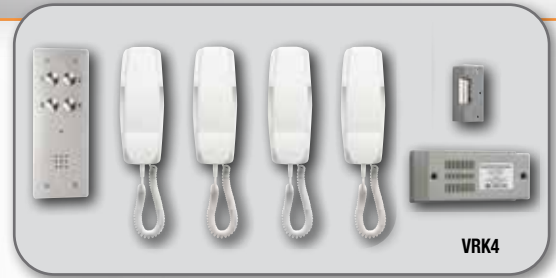

## VANDAL RESISTANT DOOR ENTRY SYSTEMS

The VRK systems have been devised for areas that are prone to external vandalism. The front panel is manufactured from 2.5mm 316 marine grade stainless steel and includes vandal resistant push buttons with custom flat number engraving. Systems are available from a one station to any size.

**Each system includes:**

- Model 801 wall mounting telephone for each station
- Model VRP stainless steel flush front door panel
- Model 61 speech unit
- Model 203 surface lock release
- Model PS4A PSU 12V DC 4A

Cat No	Description
VRK1	1 unit
VRK2	2 units
VRK3	3 units
VRK4	4 units
801	Additional handset

## COLOUR VIDEO DOOR ENTRY SYSTEMS

The bellissimo video systems are suitable for a one station video system and for multi dwelling apartment blocks. The bellissimo colour video telephone incorporates a 3.5" colour TFT screen with adjustable tilt mechanism. The system generally works on standard CAT5 cables.

**Each system includes:**

- Model BS wall mounting colour video telephone for each station
- Model BSP front door panel with CCD colour camera and infrared lamps
- Model 61 speech unit
- Model 203 surface lock release
- Relevant controllers
- Model PS4 PSU 12V

Cat No	Description
BS1	1 unit
BS2	2 units
BS	Additional phone unit

## AUDIO DOOR ENTRY SYSTEMS WITH CODED KEYPAD

The 106 is a combined door entry and coded access system utilising an economic C106 standalone keypad module.

This system can be considered where a basic level of security is deemed adequate. The panels are available as flush or surface mount with a maximum of 7 call buttons.

**Each system includes:**

- Model 801 telephone(s)
- CP106(n) surface or flush panel
- Model 61 speech unit
- Model PS4A power supply unit
- Model 203 surface lock release

Cat No	Description
CS106-1	Doorphone Panel 1 Call Button
CS106-2	Doorphone Panel 2 Call Button
CS106-3	Doorphone Panel 3 Call Button
CS106-4	Doorphone Panel 4 Call Button
CS106-5	Doorphone Panel 5 Call Button
CS106-6	Doorphone Panel 6 Call Button
CS106-7	Doorphone Panel 7 Call Button

### Can't find what you want?

We can quote and supply on a large range of systems and products to meet your application.

Your **Choice** **Specification**

- Systems with timed Tradesmen entry facility
- Systems combined with coded access (CS series)
- Systems combined with proximity access (CSP series)

- Digital with Vandal Resistant systems for large apartment blocks
- DDA compliant systems

- Colour hands-free apartment stations (tabelle series)
- Alternative panel and telephone styles (bellini and bellissimo ranges)

**WIRELESS RANGE**

**COMPACT-KIT**

**I-ON COMPACT AUDIBLE KIT**

Entry-level security panel offers reduced time, cost & complexity of installation programming & maintenance.

- 3X PET PIR
- 1X DOOR CONTACT
- 1X KEYFOB
- 1X BLUE SOUNDER BASE

**COMPACT-KIT-WIFI**

**I-ON COMPACT AUDIBLE KIT**

Single-box solutions for residential installations.

Available in four choices: Audible, PSTN, Wi-Fi & GSM kits.

- 3X PET PIR
- 1X DOOR CONTACT
- 1X KEYFOB
- 1X BLUE SOUNDER BASE
- 1X WIFI MODULE

**KEY-RAS**

**SURFACE MOUNTED KEYPAD**

Wireless arming station enabling setting & unsetting flexibility.

**SDR-CV**

**ALARM SIREN COVER**

Easy to fit, stylish siren cover white.

**SDR-RINT**

**INTERNAL SOUNDER**

Tidier wire-free domestic installation, ideal for areas out of earshot of keypads or panels.

**DET-RDC-W**

**DOOR CONTACT WHITE**

Slim, discrete design independently certified to EN50131 to guarantee peace of mind.

**DET-RS-W**

**SHOCK SENSORY WHITE**

Slimline housing, ideal for any door or window installation.

**XCEL RPT**

**PET TOLERANT PIR**

A clean & aesthetic look with impressive 9m detection coverage.

**WIRED RANGE**

**I-ON10-KIT-00**

**I-ON 10-K WIRED KIT**

Single-box solution for typical residential installations. Includes an external siren.

- 3X PIR
- 1X DOOR CONTACT
- 1X EXTERNAL SOUNDER

**I-ON10-KIT-01**

**I-ON 10-K WIRED KIT**

Simple to program, supporting up to ten users & four keypads.

- 3X PIR
- 1X DOOR CONTACT

**09448EUR90**

**7 ZONE CONTROL PANEL WITH ON-BOARD KEYPAD**

Designed with quick and simple installation in mind.

**09448EUR95**

**7 ZONE BLANK ENDSTATION WITH REMOTE KEYPAD**

Designed with quick and simple installation in mind.

**KEY-K01**

**WIRED KEYPAD**

Easy to use with built in status LEDs for simple configuration.

**SDR-WEXT-00**

**WIRED EXTERNAL SOUNDER**

Blue lens Sounder perfectly suited to i-on10 & other 3rd party control units.

**WDC02**

**WIRED DOOR CONTACT**

Discrete design suited to various environments.

**DET-WPIR-00**

**WIRED PIR**

High performance with dual low noise sensor & excellent RF immunity.

## FireAngel SPECIFICATION

Futureproof installations and achieve maximum protection for properties

**Create Wireless Networks**

When one sounds, they all sound

**Mixed System Capability**

**Easy Installation**

### FireAngel Specification featuring Smart RF Wireless Technology - MAINS AND BATTERY POWERED

#### Multi-Sensor Smoke Alarm

**SM-SN-1**

- Mains powered with 10 year sealed lithium battery backup
- Thermoptek multi-sensor for a faster reaction to all types of fire
- Create a network with Smart RF - Wireless interlink multiple Specification devices by fitting a Smart RF Radio Module (FS1521W2-T)
- Mixed system capability:
  - Mains and battery powered alarms on a network
  - Wireless and hardwired alarms on a single network
- Suitable for Grade D1 installations
- 5 year warranty

#### Kitchen Heat Alarm

**HM-SN-1**

- Mains powered with 10 year sealed lithium battery backup
- Thermistek heat sensing technology for a rapid response to common kitchen fires
- Create a network with Smart RF - Wireless interlink multiple Specification devices by fitting a Smart RF Radio Module (FS1521W2-T)
- Mixed system capability:
  - Mains and battery powered alarms on a network
  - Wireless and hardwired alarms on a single network
- Suitable for Grade D1 installations
- 5 year warranty

#### Multi-Sensor Smoke Alarm

**FS2126-T**

- Battery powered - 10 year sealed lithium battery
- Thermoptek multi-sensor for a faster reaction to all types of fire
- Create a network with Smart RF - Wireless interlink multiple Specification devices by fitting a Smart RF Radio Module (FS1521W2-T)
- Suitable for Grade F1 installations
- 5 year warranty

#### Kitchen Heat Alarm

**FS1226-T**

- Battery powered - 10 year sealed lithium battery
- Thermistek heat sensing technology for a rapid response to common kitchen fires
- Create a network with Smart RF - Wireless interlink multiple Specification devices by fitting a Smart RF Radio Module (FS1521W2-T)
- Suitable for Grade F1 installations
- 5 year warranty

#### Smart RF Radio Module

**FS1521W2-T**

- Create a network - Wireless interlink with a Smart RF radio module so when one alarm sounds, they all sound.
- For use with any compatible FireAngel Specification smoke, heat or CO alarm
- Create a network with Smart RF - Wireless interlink multiple Specification devices by fitting a Smart RF Radio Module into compatible alarms.
- 10 year lithium battery
- 5 year warranty

#### Wireless Alarm Control Unit

**FS1524W2-T**

- Test, Silence, Locate, Memory function from one device
- Separate Fire and CO identification
- A remote interface for multiple FireAngel Smart RF devices
- Portable or wall-mounted
- Testing becomes simple and fast - test and silence alarms remotely without the need to press buttons on ceiling-mounted alarms
- 5 year warranty

## FireAngel®

The complete fire & carbon monoxide safety range | [fireangel.co.uk](http://fireangel.co.uk)

### Mains Powered with 9V battery back-up

#### Optical Smoke Alarm

SW1-PF-T

- Enhanced optical technology reduces nuisance alarms
- Hardware interlink up to 12 smoke (SW1), heat (HW1) & CO (CW1) units
- Quick and easy installation with Push-Fit base included with every alarm
- Suitable for Grade D2 installations
- 5 year warranty

#### Kitchen Heat Alarm

HW1-PF-T

- Advanced thermistor sensing technology
- Hardware interlink up to 12 smoke (SW1), heat (HW1) & CO (CW1) units
- Quick and easy installation with Push-Fit base included with every alarm
- Suitable for Grade D2 installations
- 5 year warranty

#### Carbon Monoxide Alarm

CW1-PF-T

- Enhanced electrochemical technology
- Hardware interlink up to 12 smoke (SW1), heat (HW1) & CO (CW1) units
- Quick and easy installation with Push-Fit base included with every alarm
- Suitable for Grade D2 installations
- 5 year warranty

#### RF Interlink Base

RF-BW-T

- Wireless interlink multiple SW1-PF-T, HW1-PF-T, CW1-PF-T or hardwire interlink up to 12 x SW1-PF-T, HW1-PF-T, CW1-PF-T
- Quick to install and quick to link
- Easy installation with Push-Fit system
- 5 year warranty

### Standalone Smoke Alarms - BATTERY POWERED

#### Smoke Alarm

SBI-T

- 9V replaceable battery included
- High performance optical sensor reduces nuisance alarms
- Ideal where cost is a priority
- Suitable for Grade F2 installations

#### Multi-Sensor Smoke Alarm

ST-622 T

- 10 year sealed battery
- Thermoptek multi-sensor smoke alarm
- Suitable for Grade F1 installations

### 10 Year Carbon Monoxide (CO) Alarms - BATTERY POWERED

FA3820-EUX10

- CO alarm designed to accurately measure low levels of CO
- 10 year sealed battery
- Enhanced electrochemical sensor calibrated and tested in CO gas

FA3328-EUT

- Sync-It™ (NFC technology) CO Alarm designed to accurately measure low levels of CO
- 10 year sealed battery
- Advanced data diagnostic technology -inc. temperature and humidity sensing
- Sync-It™ NFC technology - contactless data download via smartphone

FA3313-EUX10

- CO alarm designed to accurately measure low levels of CO
- 10 year product life with 1 year replaceable batteries
- Enhanced electrochemical sensor calibrated and tested in CO gas

FA3322-EUX10

- Digital display CO alarm designed to accurately measure low levels of CO with visual indicators
- 10 year sealed battery
- Enhanced electrochemical sensor calibrated and tested in CO gas
- LCD display provides clear visual safety warnings - monitors carbon monoxide, temperature and humidity levels

FS1326-T

- CO alarm featuring Smart RF wireless technology designed to accurately measure low levels of CO
- 10 year sealed battery
- Enhanced electrochemical sensor calibrated and tested in CO gas
- Create a network with Smart RF - Wireless interlink multiple Specification alarms by fitting a Smart RF Radio Module (FS1521W2-T)

FireAngel supports 'Project SHOUT'. The National Campaign to raise awareness of carbon monoxide poisoning.

## SMOKE ALARMS

### 10-year sealed-in battery Optical Smoke Alarm

A long-life option – never need to change the battery for the full life of the product – that’s ideal for social landlord installations.

Cat No	Sensor type	Battery	Warranty (yrs)
10Y29RB	Optical	Sealed-in Lithium	10 inc battery

### Firex Mains-powered Smoke and Heat Alarms

Firex mains-powered alarms can be interlinked with up to 23 other Kidde or Firex mains-powered devices. Can also interlink with the K4MCO carbon monoxide alarm.

Cat No	Sensor type	Back-up (battery)	Warranty (yrs)
KF20	Optical	Alkaline	6
KF20R	Optical	Rechargeable Lithium	6 inc battery
KF30	Heat	Alkaline	6
KF30R	Heat	Rechargeable Lithium	6 inc battery
SMK4896	Pattress - Firex alarms		

## CO ALARMS

### Battery Carbon Monoxide Alarms

These battery-operated CO alarms can be wall-mounted or free-standing, so ideal for taking on holiday. K7CO and K7DCO are approved for use in boats and caravans.

Cat No	Feature	Battery	Warranty (yrs)
K5CO	Test / reset	Alkaline	7

### 10-year sealed-in battery Carbon Monoxide Alarms

A long-life option – never need to change the battery for the full life of the product – plus digital display option for peak level monitoring.

Cat No	Feature	Battery	Warranty (yrs)
K10LLCO	Non digital	Sealed-in Lithium	10 inc battery
K10LLDCO	Digital display	Sealed-in Lithium	10 inc battery

### Mains-powered Carbon Monoxide Alarms

Interlink with mains-powered Kidde and Firex alarms and benefit from Smart Interconnect feature.

Cat No.	Feature	Back-up (battery)	Warranty (yrs)
K4MCO	230V Mains	Rechargeable Lithium	7 inc battery
PATCO	Mains CO Pattress		6

## COMBI ALARMS

### Combination CO and Smoke Alarm

Benefit from a single unit that detects both smoke and carbon monoxide. 10SCO has a front-loading battery and voice warning.

Cat No	Sensor type	Battery	Warranty (yrs)
K10SCO	Optical / Electrochemical	Alkaline	10

### Twin Pack CO + Smoke Alarms

The ideal solution – a pair of battery alarms in one pack: the popular 29HDRB smoke and K5CO carbon monoxide alarms (see above for details).

Cat No
KCOSAC

### Fire Safety Fire Extinguisher/Blanket

Complete the protection package with these fire safety products – every contractor should stock a selection to complement the Kidde alarms range.

Cat No.	Type	Weight/Size
KSPD2G	Dry powder	2kg (13A 89BC)
FB1X6	Fire Blanket	1.1m x 1.1m cloth

# A COMPREHENSIVE RANGE OF UV FLY KILLERS

## TRADITIONAL HIGH VOLTAGE UV FLY KILLERS

### COMMERCIAL USE

## TITAN<sup>300</sup>

## TITAN<sup>1</sup> ALPHA

Quality all metal unit - High efficiency Quantum® shatterproof UVA tube technology - No tool servicing - Large capacity catch-tray. Can be wall-mounted, suspended or free-standing.  
**IDEAL FOR: SHOPS AND ALL COMMERCIAL USES.**

Compact budget priced EFK - Quantum® UVA tube technology - No tool servicing. Can be wall-mounted, suspended or free-standing.  
**IDEAL FOR: TAKEAWAYS, CAFES AND SHOPS.**

CODE	DIMENSIONS	TUBE	WEIGHT	CEILING-SUSPENDED/ FREE-STANDING	WALL-MOUNTED	FINISH
TITANALPHA	H:30.5xW:35xD:15cm	2x 15W (12")	4kg	160m <sup>2</sup>	80m <sup>2</sup>	White
TITAN300W	H:33xW:49.5xD:13.5cm	2x 15W	7.5kg	180m <sup>2</sup>	90m <sup>2</sup>	White
TITAN300SS	H: 33xW:49.5xD:13.5cm	2x 15W	7.5kg	180m <sup>2</sup>	90m <sup>2</sup>	Stainless Steel

### INDUSTRIAL USE

## Nemesis<sup>®</sup> QUATTRO

Industrial all metal unit - High efficiency Quantum® shatterproof UVA tube technology - Electronic ballast and T5 tubes - No tool servicing - Power and high voltage grid indicators - Large capacity catch-tray. Can be wall-mounted or suspended.

**IDEAL FOR: FOOD PROCESSING, PACKAGING AND PHARMACEUTICAL INDUSTRIES.**

CODE	DIMENSIONS	TUBE	WEIGHT	CEILING SUSPENDED	WALL-MOUNTED	FINISH
NEMQUAW	H:42xW:65xD:18cm	4x 14W T5	12kg	480m <sup>2</sup>	240m <sup>2</sup>	White
NEMQUASS	H:42xW:65xD:18cm	4x 14W T5	12kg	480m <sup>2</sup>	240m <sup>2</sup>	Stainless Steel

All PestWest units are UKCA and CE marked and carry the required European approvals. All models come with a 3-year guarantee (excluding consumables). Each unit is fitted with environmentally responsible PestWest Quantum® tubes.

A full range of specialist models is available on request, which includes ATEX compliant equipment for use in areas where there is a risk of explosion.

## UV GLUE TRAPS

HACCP COMPLIANT - SAFER AND CLEANER INSECT CATCH - USE NEAR EXPOSED FOODSTUFFS

### INDUSTRIAL & COMMERCIAL USE

**Mantis**  
**QUALIS**

MANUFACTURED IN THE UK

**QUANTUM® X LED**  
Tube Technology

Quantum® X LED technology: high efficacy, big savings on electricity and zero mercury content; Fully serviceable - replace LED tubes only every 3 years. All metal unit - Slim design - No tool servicing.

**IDEAL FOR: FOOD PROCESSING INDUSTRY, LARGER KITCHENS & FOOD HANDLING OUTLETS.**

## Mantis 1x2

Quality all metal unit - Quantum® shatterproof UVA tube technology - No tool servicing - Reflectobak® sleeves to enhance the fly catch. **IDEAL FOR: FOOD PROCESSING INDUSTRY, LARGER KITCHENS & FOOD HANDLING OUTLETS.**

Cat No	DIMENSIONS	TUBE	WEIGHT	FREE-STANDING	WALL-MOUNTED	FINISH

### FRONT-OF-HOUSE USE

Discreet UV fly trap - Concealed fly catch - Powerful 20W E27 UV bulb - No tool servicing - All metal chassis.  
**IDEAL FOR: RESTAURANTS, BARS, HOTELS EVEN DOMESTIC USE.**

## CONSUMABLES

### LOOKING AFTER YOUR UV FLY CONTROL INVESTMENT

An annual tube replacement is a requirement of all food safety standards (BRC, AIB, IFS...) and a must to maintain optimum fly control performance since UVA output degrades with time. Replace preferably at the onset of the fly season.

### REPLACEMENT UVA TUBES

Cat No.	STANDARD STRAIGHT TUBES
W8 (T8WST12)	8-watt 12" long straight - T5
T15WST12	15-watt 12" long straight - T5 - for Titan Alpha
W15(T15WST18)	15-watt 18" long Quantum - T8 - for Titan 300, Mantis 1x2
T18WST24	18-watt 24" long straight Quantum - T8

Cat No.	STANDARD TUBES
T11LYNX	11-watt Lynx tight bend
T20WSTES	20-watt E27 (ES) compact bulb - Sunburst
P23(T22WCI)	22-watt circline
UT25(T25WTB)	25-watt tight bend U

### GLASS FREE SHATTERPROOF UVA TUBES

PestWest shatterproof tubes - made in Europe - performance, reliability & safety. A must for compliance to food safety standards.

Cat No	STRAIGHT SHATTERPROOF TUBES
T15WST12SH	15-watt 12" long T5 Titan Alpha
T14WST21SH	14-watt 21" long T5 Nemesis Quattro

Cat No	STRAIGHT SHATTERPROOF TUBES
T15WST18SH	15-watt 18" long T8 Titan 300 - Mantis range
T18WST24SH	18-watt 24" long T8 Chameleon® EXG

### REPLACEMENT STICKY BOARDS

KEEP YOUR MANTIS® / SUNBURST® DEADLY, REPLACE STICKY BOARDS EVERY 2 MONTHS OR WHEN FULL

CAT No.	Sticky Boards
BOATABUNI	Pack of 3 sticky boards for Sunburst
BOACHA850	Pack of 6 sticky boards for Mantis 1x2, 2x2 & Uplight units
BOACHALED21	Pack of 6 sticky boards for the Mantis® Qualis LED unit
