AIANO light guards are designed for many applications incl. floodlights, bulkheads and batten lights. AIANO light guards are made from steel weld mesh on a steel round bar frame. We recommend clearance of at least 50mm between the fitting and guard. If you cannot find a suitable guard, we offer a bespoke service. Guards for INDOOR use are coated epoxy-polyester white. Guards for OUTDOOR use are hot-dip galvanised. Other finishes available on request.

Floodlight Guards

Cat No.	Description	Dimensions (mm) WxHxD
FLS/S	Small standard floodlight guard	305 x 305 x 305
FLMINI	Medium standard floodlight guard	457 x 508 x 508
FLMICRO	Guard to suit Dominator MicroFlood	355 x 432 x 432
FLTRAC	Guard to suit TracPro / Trac Flood	330 x 356 x 406
FLSPK25	Guard to suit Thorn Sonpak LX 25/40	508 x 508 x 584
FLMAXIFLOOD	Guard to suit Dominator MaxiFlood	533 x 610 x 610

Bulkhead Guards

Cat No.	Description	Dimensions (mm) WxHxD
FLS/M	Small standard bulkhead guard - galvanised	305 x 305 x 152
FLS/MW	Small standard bulkhead guard - white powder coated	305 x 305 x 152
FLS/PG	Bulkhead guard - galvanised	228 x 228 x 127
FLS/RSG	Small round bulkhead guard - galvanised	305 (diam) x 152
FLS/RSW	Small round bulkhead guard - white powder coated	305 (diam) x 152
FLS/RMG	Medium round bulkhead guard - galvanised	380 (diam) x 152
FLS/RMW	Medium round bulkhead guard - white powder coated	380 (diam) x 152
FLFAN/G	External fan guard - galvanised	584 x 584 x 102
FLFAN/W	External fan guard - white powder coated	584 x 584 x 102
FLMAXI	Large bulkhead guard	432 x 406 x 305
FLMIDI	Medium bulkhead guard	432 x 406 x 152

Sensor and Sign Guards

Cat No.	Description	Dimensions (mm) WxHxD
PIR/G	Guard for PIR Sensor galvanised	178 x 152 x 152
PIR/W	Guard for PIR Sensor - white powder coated	178 x 152 x 152
ELS/M	Medium Exit guard galvanised	533 x 228 x 177
ELS/S	Small Exit guard galvanised	355 x 228 x 177
PIR/T	Thermostat guard - white powder coated	102 x 102 x 102
PIR/MD	Motion detector corner guard - white powder coated	127 x 203 x 152
PIR/SKT	Socket guard with cable drop	178 x 152 x 102
FL/SOCK	Socket guard with hinged front - white powder coated	178 x 152 x 102

Batten Light Guards

AIANO batten light guards are powder coated white for INDOOR use. A galvanised finish is also available for OUTDOOR use.

Cat No.	Description	Dimensions (mm) WxHxD
FLG21	Guard to suit 2ft single light fitting	685 x 152 x 127
FLG22	Guard to suit 2ft twin light fitting	685 x 152 x 203
FLG41	Guard to suit 4ft single light fitting	1295 x 152 x 127
FLG42	Guard to suit 4ft twin light fitting	1295 x 152 x 203
FLG51	Guard to suit 5ft single light fitting	1600 x 152 x 127
FLG52	Guard to suit 5ft twin light fitting	1600 x 152 x 203
FLG61	Guard to suit 6ft single light fitting	1905 x 152 x 127
FLG62	Guard to suit 6ft twin light fitting	1905 x 152 x 203

Bespoke Flue Guards

AIANO manufactures bespoke flue guards for all types of internal and external flues, including heating outlets and wood burning stoves. We offer three guard designs: wall mounted (tubular), fitting mounted (cylindrical) and decorative.

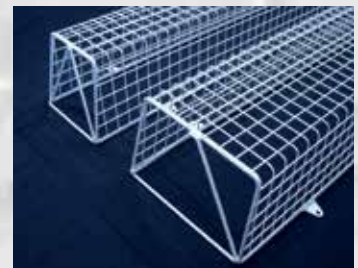

AIANO engineers and craftsmen have been designing and fabricating bespoke products for 159 years. We have expertise in making wire mesh products of any size, shape, complex design or finish. We also specialise in wire mesh lockers, air con unit guards and heavy duty guards.

BEI | lighting

lighting from the ground up

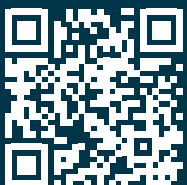

BEI Lighting has been trading for 48 years, established in 1976.
BEI Lighting has become a Leading Street Lighting Distributor in the UK

- 1000's of lighting columns, sign posts & brackets in stock
- We have a wide range of road and street lighting products available
- We have large ranges of floodlights, amenity lighting, bollard lighting and much more
- Multiple EV charging options available, new installs and retro-fit, including an extensive range of feeder pillars

Added Value Services

We have two large fabrication workshops and three large paint workshops on site in South Wales. The fabrication workshops combined with our onsite design team allow us to offer bespoke options to suit your needs, as well as customisation services for existing product. Our onsite paint workshops offer a wide range of options from standard and PSX paint finishes to powder coating and much more all within industry leading time frames.

EMERGENCY LIGHTING

Channel's emergency lighting ranges offer products that are both stylish and installer friendly, all meeting the relevant standards and regulatory requirements. Its popular Hark alarms are portable and can simply be linked to other systems.

METEOR MAXI LED Emergency Luminaire

Weatherproof rated for both internal and external environments. Now with **LiFePo4 Battery**.

Cat No	Description
EMMM3LED	LED Bulkhead IP65 complete with Legend Pack & Remote control function
EEMRC	Remote control

HARK Toilet Alarm Kit

Simple to install. Meets the BS Standard requirement for disabled toilets.

Cat No	Description
NHARK1	Complete kit with Pull cord, Reset, PSU/Indicator

GROVE IP20 & IP65 Twinspot

White metal, polycarbonate 15W lamps, with a lumen output of 720lm, which uses 50% less power than that of a tungsten halogen.

Cat No	Description
EGRNM3LED2	Grove Twin 30x LED Twinspot 3 hour Non-maintained
EGRNM3LEDIP65RC	Grove Twin 30x LED Twinspot IP65 version
EEMRC	Remote control

MILAN 15W Circular LED Luminaire

The Milan range of 15W circular luminaires offer a complete range of low profile polycarbonate IP65 light fittings. It is supplied as standard with 3 colour temperature options - 3000K, 4000K & 6000K.

Cat No	Description
EMILAN	Milan LED 15W Light
EMILANM3RC	Milan LED 15W 3 Hour Maintained Emergency Light C/W Remote Control Option
EMILANMW	Milan LED 15W Light C/W Microwave Sensor
EMILANMWM3RC	Milan LED 15W 3 Hour Maintained Emergency Light C/W Microwave & Remote Control Option
EMILANBEZBK	Milan Black Bezel
EMILANBEZBR	Milan Brass Bezel
EMILANBEZCH	Milan Chrome Bezel

EXIT SIGN LIGHTING

METEOR IP65 LED Bulkhead

3W Power consumption which uses 80% less power than that of a 8W Fluorescent.

Cat No	Description
EMEM3LEDIP65	Low profile LED Bulkhead complete with 10 LED array, IP65 version
EPICMELEDPACK	LED sticker pictogram pack (AD, AL, AR & AU)
EPICMELEDBLADE	LED Blade and Diffuser Kit (light fitting not included)

ALPINE Emergency Exit Sign

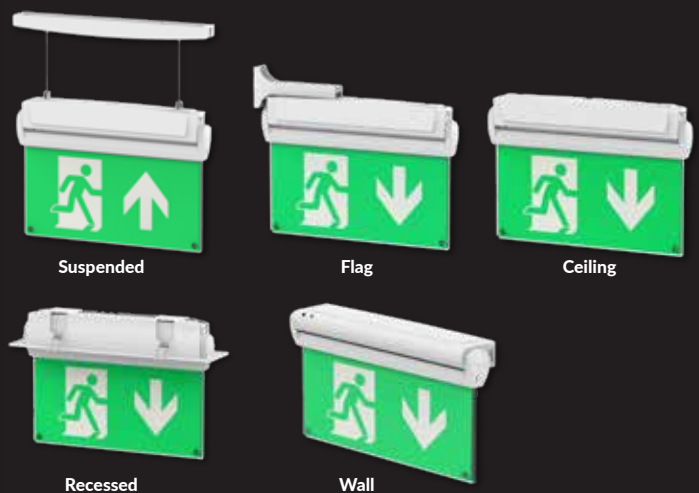

A low-cost, high output illumination.

Cat No	Description
EALM3LED	Alpine Exit Box complete with Legend & Remote control function
EEMRC	Remote control

E/5IN1 LED Emergency Exit Sign

5 Mounting options in one product. Maintained or Non-Maintained 3hr battery back up, 30m viewing distance. Compatible with EEMRC meets BSEN 60 598-2-22.

Cat No	Description
E5IN1	5-in-1 LED Exit Sign c/w full legend kit and five mounting options
EEMRC	Remote Control

SEAMLESS COB LED STRIPS IP65

- 3M VHB Adhesive
- Grade A LEDs
- Silicon Cover / Low Heat
- Double PCB / Low Heat
- Prewired at both Ends (1.2m/120cm)
- 1x Joining Power/Link Lead included

SEAMLESS COB LED STRIPS IP65									
Seamless Prewired Dual End 1.2m + 12cm Lead. Maximum Series Joint Length 10m. Strip Cut/Joint Intervals Per 5cm.

MK9 PREMIUM COB CRI90 LED SPECIFIER RANGE LAMPS

- Unique design body with double layers aluminium / magnesium die-cast alloy heat sink casing with inner air cavity for faster heat dissipation
- Unique design polycarbonate lenses for safety, low glare, efficient and even light distribution
- **CREE** LEDs on all 5700K
- High quality robust own factory-made components
- Multi safety features according to IEC6250 and UKAS
- Double insulated
- IES files available for lighting schemes
- ECA A+ energy rating
- Fully recyclable

Professional Rewireable Wi-Fi Camera System with PIR

**Wi-Fi
Controlled**

LEDPROCAM

Dedicated Wi-Fi Camera for LEDPRO Range – Black

- 1080P Full HD video resolution an 150° viewing angle
- 270° PIR detection angle with up to 10 metres of range
- Local and Cloud storage options available
- Plug & Play with existing LEDPRO Range
- Manual and automatic lighting control
- Optional notifications for PIR detection

Professional Rewireable LED Floodlight Attachments

LEDPROSLB

Dedicated PIR Detector for LEDPRO Range – Black

LEDPROSLWH

Dedicated PIR Detector for LEDPRO Range – White

LEDPROPCB

Dedicated Photocell for LEDPRO Range – Black

NIGHT eye LED IP65 Die-Cast Bulkhead Lights

Product Features

Wide light diffusion patterns for optimum area coverage.

Die cast housing with polycarbonate lens for the toughest of environments.

IP65 cable gland and side cable inlet to aid installation.

Super-Slim Profiles ideal for industrial, commercial and home installations.

- A powerful and energy saving alternative to standard bulkhead lights.
- Choice of Circular or oval designs with up to 25W of power.
- Up to 2000 Lumens of cool white light (5000K).
- Wide diffusion pattern.
- 25W PIR versions available.

LEDBH25WPIR
25W LED Energy Saver Bulkhead Light with PIR Round – 2000 Lumens

Backlit Panel - Pro

The Backlit Panel Pro brings product design and reliability to the forefront. Offering up to an impressive 112lm/W, multiple lumen outputs and cost savings against traditional lighting and old LED designs. Easy installation is achieved with plug and play connectors and flicker-free drivers.

CAT NO.	WATTS	DESCRIPTION	LUMENS
PNL100-KIT01	28	28W Backlit Panel - Pro, 840, Driver	3125

LED Retrofit Corn Lamps

Retrofit Corn Lamps are an ideal upgrade route for ageing HID lamps, whilst maintaining the look and integrity of the existing fitting. Venture Retrofit Corn Lamps are designed with a large heatsink profile to reduce thermal stresses and the need for internal fans.

LED Security Light

Highly Durable

PIR Sensor

Easy installation

4 Year Warranty

- Compact high brightness LED security light.
- Die-cast aluminium LED with High Performance Weather-Proof housing.
- Individually adjustable heads to illuminate desired location.
- Adjustable PIR direction point.
- PIR settings that can adjust the detection range, detection distance, time delay and ambient light levels.

MARINUS RANGE

Marinus is a co-ordinating range of **outdoor lighting** made from **marine grade 316L stainless steel**, designed to offer **greater protection** from harsh outdoor elements.

Marinus Range Features

Marine Grade Stainless Steel

Made from Marine Grade Stainless Steel (316L) and salt spray tested for 96 hours making it perfect for coastal locations.

Connected by
WiZ

Smart Lighting

Upgrade your lights to be smart and control them via the WiZ App. *Non PIR options only.

Product Finishes

Available in Stainless Steel and Anthracite Grey.

Contemporary design

Sleek and stylish glass halo edging provides an atmospheric lighting design affect in the illuminated area.

Adjustable PIR Sensors

Variable motion detection from 1 to 7 metres and time duration of 10 seconds to 5 minutes. Ideal for hallways and gardens.
