AdBlue

ADBLUE10L
10 litre Canister Adblue

- No risk of product contamination
- Integrated spout for ease of use
- Easy to handle thanks to the haft
- Small footprint product for a better adaptation to your display

BO52021
SUITABLE FOR ALL SCR SYSTEMS

Key benefits
- Conforms to ISO 22241
- Shelf life of at least 12 months from date of manufacture
- Reduces harmful emissions (NOx)
- Suitable for all Diesel Selective Catalytic Reduction (SCR) systems

SPB6075
10 litre Canister Adblue

- No risk of product contamination
- Integrated spout for ease of use
- Easy to handle thanks to the haft
- Small footprint product for a better adaptation to your display

GET CONNECTED TO OUR
WIFI CONTROLLED
HEATING SOLUTION

Our FREE Consort Connect app lets you control your heating from wherever you are.

GET IT ON **Google Play**

Download on the **App Store**

See our full WiFi enabled product range on page 170.

Complete control via smartphone/ tablet.

No hub required. Heaters connect directly to WiFi.

All SL Consort heaters can be controlled by the app via SLPBWIFI* wireless controller.

4 Modes - Frost, Automatic, Manual and Boost.

Open window detection.

Occupancy sensor & self-learning Automatic mode (only available in 'MW' heaters and SLPBWIFI).

View energy usage of all connected heaters in the last day, week, month and year.

*The SLPBWIFI wireless controller connects to Consort Connect app which provides the programming and energy saving features, including Boost.

Connect. Combine. **Control**

With Dimplex Control, managing your heating and hot water has never been easier.

See our full RF connected product range on page 180

Demand for **connected home heating solutions** is soaring, with more UK consumers than ever passionate about taking control and reducing their energy bills.

Stay ahead – be prepared to meet this growing demand and ensure you have the **Dimplex Control** products your customers want!

Edel Hot Water Heat Pump

An electric water cylinder which uses ducted ambient air to renewably provide domestic hot water

Up to 300% Efficiency

With a CoP up to 3.36, Edel is up to three times cheaper to run than a direct electric alternative

Quiet Operation

Very quiet operation due to sound proof hood, variable speed fan and a high performance rotary compressor mounted on anti-vibration pads

Compact Size

Compact unit with up to 630mm diameter with options of 170L, 200L or 270L storage

Five Year Guarantee

5

Stainless steel tank with five year UK guarantee and no requirement for a sacrificial anode

The Wiser™ options

Life Is On

Drayton by Schneider Electric

Wiser Thermostat Kit 1
Class VII 3.5%

One channel thermostat pack ideal for combi-boilers. Enables you to control heating via the Wiser Heat app.

Cat No.

WT714R9K0902

Wiser Thermostat Kit 2
Class VII 3.5%

Two channel thermostat pack ideal for conventional systems. Enables you to control heating and hot water via the Wiser Heat app. Wire in existing cylinder thermostat for hot water control.

Cat No.

WT724R9K0902

Wiser Thermostat Kit 3
Class VII 3.5%

Three channel thermostat pack ideal for properties with two heating zones. Enables you to control heating and hot water via the Wiser Heat app. Wire in existing cylinder thermostat for hot water control.

Cat No.

WT734R9K0902

Wiser Multi-zone Kit 1
Class VIII / VII 5% / 3.5%

One channel thermostat system with two radiator thermostats to start zoning your system. Suitable for combination boilers. Control the room thermostat and radiator thermostats via the Wiser Heat app. Add more radiator valves to create more independent zones.

Cat No.

WV714R9K0902

Wiser Multi-zone Kit 2
Class VIII / VII 5% / 3.5%

Two channel thermostat system with two radiator thermostats to start zoning your system. Suitable for conventional boilers. Set schedules for the room thermostat, radiator thermostats and hot water via the Wiser Heat app. Add more radiator valves to create more independent zones.

Cat No.

WV724R9K0902

Expand your Smart Home

Expand your Wiser system with additional radiator thermostats to create smart rooms.

Cat No.

80L Air Sourced Hot Water Cylinder

Heating your water alongside infrared technology or GCH, opt for our sleek, smart electric powered hot water cylinder.

The 80L cylinder is ideal for 1-2 bedroom properties, with the exception of having a bath installed.

The 80L cylinder is easy to install by any standard plumber, and has a warranty of 5 years (with a protection of 1 year for electronics).

With a fast heat up time, multiple mode control, legionella protection, and an ERP rating of A+, the 80L cylinder has all the features needed to assist in significantly reducing the property's energy bills.

- 80L Capacity
- Fast Heat Up Time
- Range of Modes
- High Performance
- 5 Year Warranty
- ERP Rating: A+
- Reduces Energy Bills
- Easy To Install
- R290 Refrigerant
- Control via Curv app
- H1184xW492xD547mm

7kW & 22kW Dual Floor AC Charger

The EVA-07D-SE-RFID (single phase) and EVA-22D-SE-RFID (three phase) are floor mounted AC dual charging stations.

These dual floor chargers are packed full of features, and perfect for commercial environments.

Cat No.
EVA-07D-SE-RFID
EVA-22D-SE-RFID

• Type 2 x2 Sockets
• Dual Gun Pro Earth
• Cable Lock System
• 5 Year Warranty
• RFID Control
• Mid Metering Capabilities
• Free Mobile App
• Dynamic Load Balancing

20kW DC Charger

The EVD-20S-P is a three-phase, commercial DC charging unit, featuring a single CCS gun.

These chargers are packed full of features, and perfect for commercial environments.

Cat No.
EVD-20S-P

• CCS Connector
• Rapid Charging
• 18th Edition Compliant
• 5 Year/30,000 Hour Warranty
• RFID Control
• IP54 Protection

40kW DC Charger

The EVD-40S-P and EVD-40D-P-CC are three-phase, commercial DC charging units, featuring both single and dual gun ev charger variants.

These chargers are packed full of features, and perfect for commercial environments.

Cat No.
EVD-40S-P
EVD-40D-P-CC

• CCS Connector
• Rapid Charging
• 18th Edition Compliant
• 5 Year/30,000 Hour Warranty
• RFID Control
• IP54 Protection
